Decide if your purpose is to get vast distribution and most exposure. This purpose is aimed toward drawing prospects to your business or service, or to establishing the credibility of your reputation. If that is your most important aim, you need to aim to maintain your worth on the low side. Some authors have even priced their ebooks at a profit loss to draw a excessive number of new customers. After you determine your goal, you must figure out what your viewers's need is for your ebook. For example, does your e-book clear up a selected downside? If it does, and solves it in a approach that hasn't been written about in one hundred different ebooks, you'll be in a position to achieve

excessive sales at a excessive price. In case your book solves an issue or solutions questions in a brand new and distinctive manner, you need to worth your guide as excessive as you may go. Begin at the highest value the market will bear to herald the largest income, and plan to low cost the ebook a variety of times all through the year.
