Do this by making a gross sales page for the brand new ebook, however don't embrace a worth on that page. As an alternative, add a number of hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another technique is to test out prices by creating a variety of duplicate gross sales pages with totally different prices on each page. Make sure that your gross sales copy is exactly the same on

each page, and contains your promoting-handle sentence. Then determine for every page the conversion ratio between guests to your website and sales of your book. This can inform you what your optimum value is.
