When you *99 Odyssey Manual* value it too high compared with your competition, you will find yourself steadily decreasing the price, which can trigger you all kinds of new problems in the future.

Choosing the proper value to your **99 Odyssey Manual** book is without doubt one of the most important elements of the advertising process. The first rule of pricing ebooks is to never underprice. Determine the highest worth your audience can afford, and then if you find your ebook isn't selling, you may all the time scale back the price. Earlier than you take that step, ensure you are promoting your 99 Odyssey Manual e book like crazy on the Internet and on websites. The worth needs to be geared toward bringing in income, but it's best to by no means forget that worth is among the components that folks use in judging the value of your *99 Odyssey Manual* e-book ? earlier than they purchase it. So all the time start with the highest price, and then launch a mega-advertising campaign.

Pricing an book is particularly troublesome because ebooks are a fairly new commodity. Since they're digital, the value of an e-book is as complicated because the understanding of what digital really is to the common layperson. Because of this we should look at ebooks in a distinct mild so as to decide their actual worth on this courageous, new cyber world.

Let's take a look at the difference between a ebook in print and an ebook. A printed guide is an object you'll be able to maintain in your hand, retailer on your bookshelf, even hand down to the subsequent generation. It is priced on factors such as paper inventory, design and production prices, and marketing.

But the truth that unites ebooks and print books is that they are composed of ideas. It's the concepts in these books which have the power to alter, or probably transform, folks's lives.

What do you think an concept is price when evaluated in opposition to the cost of paper and ink?

It is the IDEAS that are priceless! That's how you determine the price of your ebook.

What ought to I charge for my concepts?

There are all completely different formulas and strategies for figuring out the right value in your ebook. Let's start with honing in in your ultimate goals.

Determine if your aim is to get broad distribution and most exposure. This aim is aimed toward drawing customers to what you are promoting or service, or to establishing the credibility of your reputation. If that is your primary purpose, you need to purpose to maintain your price on the low side. Some authors have even priced their ebooks at a revenue loss to attract a high variety of new customers. The hot button is to find a value that maximizes your profits and the number of books you sell.

This is a wonderful pricing technique in case you are trying to acquire long-term customers. Lengthy-time period prospects are extraordinarily possible to purchase from you once more and again ? as long as the primary e book they buy is of distinctive quality and beneficial to the customer.

However, in case your ebook accommodates helpful ? and extra importantly NEW info, references, or techniques ? then you need to aim to cost it on the high end.

After you determine your objective, it's essential to determine what your viewers's want is to your ebook. For example, does your e book solve a particular drawback? If it does, and solves it in a manner that hasn't been written about in 100 other ebooks, you may be in a position to achieve high sales at a high price. In case your book solves an issue or solutions questions in a brand new and distinctive means, you need to value your ebook as high as you may go. You'll achieve larger profits this manner, however usher in fewer customers. Simply make sure the query or downside that your e book solves is one which is essential and relevant to the majority of your market audience. In case your ideas are usually not widespread data, or you might be presenting a brand new technique, it is possible for you to to promote books at a high price. Simply be prepared on your competitors to undercut you on price as quickly as they hear about your book.

Understand that the above pricing strategy is temporary. Ultimately, you'll stop to sell books at this high price. So work out upfront how long you plan to offer your e book at this high price, and when that point is up, change your pricing strategy.

If you wish to see massive earnings over buyer draw, goal for an viewers that is on the lookout for easy solutions to their problems at a low price. In case your guide is aimed toward fixing one particular drawback reasonably than normal advice, then you may charge more. Begin on the highest value the market will bear to bring in the largest earnings, and plan to discount the book a number of times all through the year.

Advertising Methods

The key that unlocks the gross sales potential of your book is to discover a single sentence that becomes your selling handle. This sentence states what question or problem your guide solutions and the benefits your e book can provide. Then make sure to use that sentence in each piece of sales and promotional material, and each time anybody asks you about your ebook.

Moreover promoting your books assiduously on-line, there are several other methods that can enable you to sell extra books.

One is to give one thing away without cost along with your guide, reminiscent of a useful bonus item. Or bundle several ebooks under one value, which lowers the value for every e-book in the event that they have been sold separately.

An efficient method for figuring out a value is to ship out a survey to your current customers. If these clients have already bought an book from you, ask for his or her opinion when it comes to price. Do this by creating a sales page for the new e book, however don't include a worth on that page. Instead, add plenty of links to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

One other technique is to test out prices by making a number of duplicate sales pages with completely different costs on every page. Be certain that your sales copy is strictly the same on

each web page, and consists of your promoting-handle sentence. Then figure out for each page the conversion ratio between visitors to your website and gross sales of your book. This may tell you what your optimum price is.

In the end, should you've written a guide that solves a downside or presents a new technique, your e-book will herald both traffic and profits. So remember to write that promoting-deal with sentence that sums up what problem your book solves and what the advantages of your *99 Odyssey Manual* guide will be to the purchasers who purchase it. After which watch your market come to you!
