Do that by making a sales web page for the brand new book, but do not embrace a worth on that page. As a substitute, add a variety of hyperlinks to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

Another technique is to check out costs by making a number of duplicate sales pages with completely different costs on every page. Be certain your gross sales copy is strictly the identical on each

page, and contains your selling-deal with sentence. Then determine for each web page the conversion ratio between visitors to your web site and gross sales of your book. It will let you know what your optimum value is.

Finally, in case you've written a book that solves a downside or presents a brand new method, your e-book will usher in both site visitors and profits.
