If these prospects have already purchased an e-book from you, ask for their opinion when it comes to price. Do that by creating a sales page for the brand new guide, but do not include a worth on that page. Instead, add numerous hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

One other technique is to test out costs by creating a number of duplicate gross sales pages with completely different costs on every page. Be sure your sales copy is exactly the same on each web page, and includes your selling-deal with sentence. Then determine for every web page the conversion ratio between visitors to your web site and sales of your book. This can tell you what your optimum worth is.
