Do this by making a gross sales web page for the new guide, but do not embody a price on that page. As a substitute, add a variety of links to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

Another strategy is to check out prices by making a number of duplicate sales pages with different prices on each page. Make certain your gross sales copy is precisely the similar on every web page,

and contains your promoting-handle sentence. Then work out for each page the conversion ratio between guests to your site and gross sales of your book. This can let you know what your optimum value is.

In the end, for those who've written a book that solves a drawback or presents a new approach, your e-book will bring in both site visitors and profits.
