As a substitute, add quite a lot of hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other technique is to test out costs by making a number of duplicate gross sales pages with completely different prices on each page. Make sure your gross sales copy is precisely the similar on every page, and consists of your promoting-handle sentence. Then figure out for each web page the conversion ratio between guests to your site and sales of your book. It will tell you what your optimum value is.

In the end, in the event you've written a ebook that solves a downside or presents a brand new technique, your book will herald each traffic and profits.
