price. Do that by creating a gross sales page for the brand new e-book, however do not embrace a worth on that page. Instead, add plenty of links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other technique is to test out prices by creating a number of duplicate gross sales pages with different prices on every page. Make sure your sales copy is strictly the same on every web page, and consists of your promoting-handle sentence. Then figure out for every web page the conversion ratio between visitors to your web site and gross sales of your book. This will inform you what your optimum price is.

Finally, if you happen to've written a e-book that solves a downside or presents a new technique, your guide will usher in both site visitors and profits.
