Do this by creating a gross sales page for the brand new e-book, however don't embrace a price on that page. As an alternative, add quite a few links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other technique is to test out prices by creating a variety of duplicate sales pages with totally different costs on each page. Be certain your sales copy is strictly the identical on every

page, and consists of your selling-handle sentence. Then work out for every page the conversion ratio between guests to your site and sales of your book. It will inform you what your optimum value is.

Finally, should you've written a ebook that solves a problem or presents a new method, your book will usher in both site visitors and profits. So be sure you write that promoting-handle sentence that sums up what downside your e book solves and what the advantages of your 1197 book might be to the shoppers who purchase it. And then watch your market come to you!
