An effective method for determining a price is to ship out a survey to your current customers. If these clients have already purchased an e book from you, ask for their opinion when it comes to price. Do that by making a gross sales web page for the brand new ebook, however don't include a worth on that page. Instead, add a variety of links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Be sure that your gross sales copy is precisely the same on every page, and includes your promoting-deal with sentence. Then figure out for every page the conversion ratio between guests to your web site and gross sales of your book. This will tell you what your optimum value is.
