Do that by making a sales page for the brand new book, but don't include a worth on that page. As a substitute, add plenty of links to survey questions that ask pointed questions to help you in assigning a value to your ebook.

One other technique is to check out costs by creating a number of duplicate gross sales pages with completely different costs on each page. Make certain your sales copy is exactly the identical on

every page, and contains your promoting-handle sentence. Then figure out for each web page the conversion ratio between guests to your site and gross sales of your book. It will tell you what your optimum value is.

In the end, should you've written a ebook that solves a drawback or presents a new technique, your e book will bring in each site visitors and profits.
