Do this by making a sales web page for the brand new ebook, however don't embody a price on that page. Instead, add a number of hyperlinks to survey questions that ask pointed questions to help you in assigning a price to your ebook.

One other strategy is to check out costs by making a variety of duplicate sales pages with different costs on each page. Ensure your gross sales copy is strictly the same on each web page, and contains your promoting-deal with sentence. Then figure out for each web page the conversion ratio between guests to your site and sales of your book. This will inform you what your optimum price is.

In the end, in the event you've written a book that solves a drawback or presents a brand new technique, your guide will bring in each site visitors and profits.
