If you wish to see large profits over buyer draw, intention for an audience that is in search of simple solutions to their problems at a low price. In case your book is aimed toward fixing one explicit problem rather than general advice, then you can charge more. Begin at the highest worth the market will bear to bring in the largest income, and plan to discount the book a number of times throughout the year.

If these customers have already bought an e-book from you, ask for his or her opinion when it comes to price. Do that by making a sales page for the brand new e book, however don't embrace a price on that page. Another strategy is to test out prices by creating a number of duplicate gross sales pages with different costs on every page. Make sure that your sales copy is precisely the identical on every page, and includes your promoting-handle sentence. Then determine for every page the conversion ratio between visitors to your site and gross sales of your book. This will let you know what your optimum value is.
