Do this by making a sales page for the brand new ebook, however don't embody a price on that page. As a substitute, add a lot of links to survey questions that ask pointed questions to help you in assigning a price to your ebook.

Another technique is to test out prices by creating a variety of duplicate gross sales pages with completely different prices on each page. Make sure that your gross sales copy is strictly the

similar on each page, and includes your selling-handle sentence. Then figure out for every web page the conversion ratio between visitors to your site and gross sales of your book. This can let you know what your optimum worth is.
