excessive price. If your e-book solves a problem or answers questions in a brand new and distinctive manner, you need to value your guide as high as you'll be able to go. If you want to see massive income over buyer draw, goal for an audience that's searching for simple solutions to their issues at a low price. If your e-book is geared toward fixing one explicit problem fairly than normal advice, then you can cost more. Begin at the highest price the market will bear to bring in the largest earnings, and plan to low cost the e book a number of occasions throughout the year.
