Another strategy is to test out costs by making a number of duplicate sales pages with different prices on every page. Ensure that your sales copy is strictly the similar on each page, and contains

your selling-deal with sentence. Then work out for every page the conversion ratio between guests to your site and sales of your book. This may tell you what your optimum value is.

In the end, for those who've written a guide that solves a drawback or presents a brand new approach, your guide will usher in both visitors and profits.
