Do this by creating a gross sales web page for the brand new ebook, but do not embody a value on that page. Instead, add a variety of hyperlinks to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

Another strategy is to test out costs by creating a variety of duplicate gross sales pages with different costs on each page. Be certain your gross sales copy is exactly the similar on every web

page, and consists of your promoting-handle sentence. Then determine for every page the conversion ratio between visitors to your web site and sales of your book. This will let you know what your optimum price is.

Finally, should you've written a e book that solves a drawback or presents a new technique, your guide will bring in each traffic and profits.
