Another strategy is to check out costs by making a number of duplicate gross sales pages with different prices on each page. Make sure your gross sales copy is exactly the same on each web page,

and contains your selling-deal with sentence. Then work out for every page the conversion ratio between guests to your website and gross sales of your book. This will let you know what your optimum price is.

Finally, if you've written a e book that solves a drawback or presents a brand new method, your ebook will herald both traffic and profits.
