Start on the highest price the market will bear to bring in the largest income, and plan to low cost the ebook a variety of instances all through the year.

Be certain your gross sales copy is precisely the same on every web page, and consists of your selling-deal with sentence. Then figure out for every page the conversion ratio between visitors to your site and gross sales of your book. This may tell you what your optimum value is.

Finally, if you happen to've written a e-book that solves a downside or presents a brand new approach, your e book will usher in both site visitors and profits.
