Do that by creating a sales page for the brand new ebook, but don't include a price on that page. Instead, add plenty of links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other technique is to test out costs by making a variety of duplicate sales pages with different prices on every page. Ensure your gross sales copy is precisely the same on each page, and contains your selling-deal with sentence. Then determine for every web page the conversion ratio between guests to your web site and gross sales of your book. This may tell you what your optimum value is.
