As a substitute, add a lot of links to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other strategy is to check out costs by making a number of duplicate gross sales pages with completely different prices on every page. Ensure that your gross sales copy is exactly the

identical on each page, and includes your selling-handle sentence. Then figure out for each web page the conversion ratio between visitors to your site and gross sales of your book. This may inform you what your optimum value is.
