An efficient method for figuring out a value is to ship out a survey to your present customers. If these clients have already purchased an book from you, ask for their opinion in terms of price. Do that by making a gross sales web page for the new e book, but don't include a price on that page. Another strategy is to test out costs by making a variety of duplicate gross sales pages with different prices on every page. Be sure your gross sales copy is exactly the identical on every web page, and contains your promoting-handle sentence.
