An efficient method for determining a worth is to ship out a survey to your current customers. If these customers have already purchased an e-book from you, ask for their opinion in terms of price.

Do this by creating a sales page for the brand new e book, however do not embody a value on that page. Instead, add numerous links to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other strategy is to check out prices by creating a variety of duplicate gross sales pages with completely different prices on each page. Be sure your gross sales copy is strictly the identical on every page, and consists of your promoting-deal with sentence. Then determine for every web page the conversion ratio between visitors to your website and gross sales of your book. This will let you know what your optimum worth is.

In the end, if you happen to've written a ebook that solves a problem or presents a new technique, your book will bring in each visitors and profits.
