An effective approach for figuring out a value is to ship out a survey to your present customers. If these prospects have already bought an e-book from you, ask for their opinion when it comes to price. Make sure your gross sales copy is strictly the similar on every page, and includes your selling-deal with sentence. Then determine for each web page the conversion ratio between guests to your web site and gross sales of your book. It will let you know what your optimum worth is.

In the end, when you've written a book that solves a drawback or presents a brand new approach, your e book will usher in both visitors and profits.
