If these prospects have already purchased an e book from you, ask for his or her opinion when it comes to price. Do that by making a gross sales web page for the new guide, however do not include a value on that page. Instead, add quite a few hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

One other strategy is to test out prices by creating a variety of duplicate sales pages with different costs on every page. Be certain your sales copy is precisely the identical on each web

page, and contains your selling-handle sentence. Then work out for each page the conversion ratio between visitors to your website and sales of your book. This may inform you what your optimum value is.

Ultimately, should you've written a ebook that solves a downside or presents a brand new technique, your ebook will herald each site visitors and profits.
