Marketing Strategies

The key that unlocks the sales potential of your ebook is to find a single sentence that turns into your promoting handle. This sentence states what query or problem your e-book solutions and the benefits your e book can provide. Then be sure to use that sentence in each piece of gross sales and promotional material, and each time anyone asks you about your ebook.

Besides promoting your books assiduously on-line, there are several different strategies that can make it easier to promote more books.

One is to offer one thing away for free along with your e book, reminiscent of a invaluable bonus item. Or bundle several ebooks below one value, which lowers the value for each e-book in the event that they were offered separately.

An effective method for figuring out a value is to send out a survey to your current customers. If these customers have already bought an e book from you, ask for their opinion in terms of price. Do that by creating a gross sales web page for the new book, but do not embody a price on that page. As an alternative, add numerous hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Another technique is to check out prices by making a variety of duplicate sales pages with totally different prices on each page. Make sure your gross sales copy is strictly the same on every web

page, and includes your promoting-handle sentence. Then figure out for each web page the conversion ratio between guests to your website and gross sales of your book. It will inform you what your optimum value is.
