Do this by creating a gross sales web page for the brand new book, however do not embrace a price on that page. As a substitute, add a number of links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another strategy is to test out prices by making a number of duplicate sales pages with completely different costs on each page. Be sure your sales copy is precisely the same on each page, and

contains your selling-handle sentence. Then figure out for every page the conversion ratio between visitors to your website and gross sales of your book. This can tell you what your optimum worth is.

In the end, should you've written a e book that solves a downside or presents a new approach, your book will bring in both site visitors and profits.
