Do that by creating a gross sales page for the new e-book, however do not embody a worth on that page. Instead, add various links to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Another technique is to check out prices by creating a number of duplicate sales pages with completely different prices on each page. Ensure your sales copy is exactly the similar on every

page, and contains your promoting-deal with sentence. Then work out for every page the conversion ratio between visitors to your website and gross sales of your book. This can let you know what your optimum price is.

In the end, if you happen to've written a ebook that solves a problem or presents a new method, your e book will herald each visitors and profits. So remember to write that promoting-deal with sentence that sums up what downside your guide solves and what the advantages of your 501 e book might be to the purchasers who buy it.
