of gross sales and promotional material, and each time anyone asks you about your ebook.

As a substitute, add numerous hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another technique is to test out prices by creating a variety of duplicate gross sales pages with different prices on every page. Be sure your gross sales copy is strictly the identical on each page, and contains your selling-deal with sentence. Then figure out for every web page the conversion ratio between guests to your website and sales of your book. This will inform you what your optimum value is.

Finally, if you've written a book that solves a problem or presents a new technique, your book will herald both traffic and profits. So make sure to write that selling-deal with sentence that sums up what problem your e-book solves and what the advantages of your 580 e-book might be to the purchasers who buy it.
