Do this by creating a sales page for the brand new e book, but do not include a worth on that page. As an alternative, add a variety of hyperlinks to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

One other strategy is to check out prices by creating a variety of duplicate gross sales pages with totally different costs on each page. Make sure that your sales copy is strictly the similar on every web page, and consists of your promoting-deal with sentence. Then determine for every page the conversion ratio between guests to your site and gross sales of your book. This may let you know what your optimum value is.
