Start at the highest worth the market will bear to usher in the largest profits, and plan to discount the guide a number of times throughout the year.

An effective approach for determining a worth is to send out a survey to your current customers. If these clients have already purchased an ebook from you, ask for their opinion by way of price. Do that by making a gross sales page for the new guide, however do not embrace a worth on that page. As a substitute, add quite a few links to survey questions that ask pointed questions to help you in assigning a value to your ebook.

One other strategy is to test out prices by making a number of duplicate gross sales pages with completely different prices on every page. Make sure that your sales copy is precisely the identical

on every page, and contains your selling-handle sentence. Then determine for every web page the conversion ratio between guests to your web site and gross sales of your book. This can tell you what your optimum price is.

In the end, for those who've written a e book that solves a drawback or presents a new method, your e book will herald both site visitors and profits. So remember to write that selling-deal with sentence that sums up what problem your ebook solves and what the benefits of your e book shall be to the purchasers who purchase it.
