An efficient method for determining a value is to send out a survey to your present customers. If these clients have already purchased an book from you, ask for his or her opinion when it comes to price. Do this by making a gross sales web page for the brand new guide, however do not include a worth on that page. As a substitute, add a variety of hyperlinks to survey questions that ask pointed questions to help you in assigning a price to your ebook.

Another strategy is to check out prices by creating a variety of duplicate gross sales pages with totally different prices on every page. Be certain your gross sales copy is precisely the same on each page, and consists of your promoting-handle sentence. Then determine for every page the conversion ratio between visitors to your site and gross sales of your book. This may tell you what your optimum worth is.

Ultimately, should you've written a guide that solves a drawback or presents a brand new method, your guide will bring in both site visitors and profits.
