As an alternative, add quite a few hyperlinks to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

Another strategy is to check out costs by creating a number of duplicate sales pages with different

prices on each page. Be certain your sales copy is exactly the same on each page, and consists of your promoting-deal with sentence. Then work out for each page the conversion ratio between guests to your web site and gross sales of your book. This can let you know what your optimum price is.

In the end, in case you've written a ebook that solves a problem or presents a new method, your e book will herald each visitors and profits.
