You have written and compiled an **Stratification Study Guide** ebook. Now you must determine how a lot to cost for it. Discovering the best value is crucial to the success of your product. If you charge too little *Stratification Study Guide* , individuals will think it is of little value, and they will not buy it, and even if they do buy your book, you'll have to sell hundreds of copies to get to the purpose where you may begin to see a profit. If you happen to *Stratification Study Guide* price it too high when put next together with your competition, you will see your self steadily lowering the price, which can trigger you all types of new problems in the future.

Choosing the right value on your **Stratification Study Guide** e book is one of the most critical elements of the advertising process. The first rule of pricing ebooks is to by no means underprice. Decide the very best price your viewers can afford, after which if you find your ebook isn't promoting, you may at all times scale back the price. Before you take that step, be sure you are selling your *Stratification Study Guide* e book like crazy on the Web and on websites. The price must be aimed at bringing in profits, however it's best to never forget that worth is likely one of the elements that individuals use in judging the worth of your *Stratification Study Guide* book ? before they purchase it. So all the time start with the very best price, and then launch a mega-advertising and marketing campaign.

Pricing an book is particularly troublesome because ebooks are a reasonably new commodity. Since

they are digital, the value of an book is as confusing as the understanding of what digital truly is to the common layperson. Which means that we should have a look at ebooks in a distinct mild in order to determine their actual value in this brave, new cyber world.

Let us take a look at the distinction between a e-book in print and an ebook. A printed guide is an object you may maintain in your hand, store on your bookshelf, even hand down to the next generation. It's priced on components such as paper stock, design and manufacturing costs, and marketing.

But the truth that unites ebooks and print books is that they're composed of ideas. It is the ideas in these books which have the flexibility to alter, or possibly rework, individuals's lives.

What do you think an concept is value when evaluated against the cost of paper and ink?

It is the IDEAS which might be valuable! That is the way you decide the cost of your ebook.

What should I charge for my ideas?

There are all different formulas and methods for determining the correct worth on your ebook. Let's begin with honing in on your ultimate goals.

Decide if your aim is to get broad distribution and most exposure. This purpose is aimed toward drawing clients to your small business or service, or to establishing the credibility of your reputation. If this is your foremost purpose, you must intention to maintain your value on the low side. Some authors have even priced their ebooks at a revenue loss to attract a excessive variety of new customers. The secret is to discover a worth that maximizes your earnings and the variety of books you sell.

This is an excellent pricing technique in case you are trying to purchase lengthy-time period customers. Long-term customers are extremely likely to purchase from you once more and again ? as long as the primary book they buy is of distinctive quality and useful to the customer.

Nonetheless, in case your e book comprises valuable ? and extra importantly NEW information, references, or methods ? then it's best to aim to price it on the high end.

After you figure out your aim, you will need to work out what your viewers's want is for your ebook. For example, does your e book remedy a particular problem? If it does, and solves it in a manner that hasn't been written about in 100 different ebooks, you may be capable of achieve high sales at

a high price. In case your guide solves an issue or solutions questions in a brand new and unique way, it's best to worth your e book as excessive as you'll be able to go. You'll achieve larger profits this manner, however usher in fewer customers. Simply be certain that the question or drawback that your book solves is one which is vital and related to the majority of your market audience. If your ideas should not widespread knowledge, or you might be presenting a model new approach, you will be able to promote books at a high price. Just be ready on your competition to undercut you on price as quickly as they hear about your book.

Remember that the above pricing strategy is temporary. Finally, you will cease to sell books at this excessive price. So work out prematurely how lengthy you plan to offer your book at this high value, and when that point is up, change your pricing strategy.

If you want to see massive income over buyer draw, aim for an audience that is looking for simple options to their problems at a low price. In case your ebook is geared toward fixing one specific downside somewhat than general advice, then you can charge more. Start at the highest price the market will bear to bring in the largest earnings, and plan to low cost the e-book a number of occasions throughout the year.

Marketing Strategies

The important thing that unlocks the gross sales potential of your e book is to discover a single sentence that becomes your promoting handle. This sentence states what query or problem your e-book answers and the benefits your e book can provide. Then remember to use that sentence in each piece

of gross sales and promotional material, and each time anybody asks you about your ebook.

Besides promoting your books assiduously on-line, there are several other methods that may enable you to sell extra books.

One is to give one thing away for free with your e book, resembling a priceless bonus item. Or bundle several ebooks below one value, which lowers the price for each e-book if they have been bought separately.

An efficient approach for determining a value is to send out a survey to your present customers. If these customers have already bought an ebook from you, ask for his or her opinion by way of price. Do that by creating a gross sales web page for the new guide, but don't embody a value on that page. Instead, add quite a lot of hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

Another strategy is to test out costs by making a number of duplicate gross sales pages with totally different prices on every page. Make sure your sales copy is exactly the identical on each web page, and contains your promoting-handle sentence. Then work out for each web page the conversion ratio between guests to your site and gross sales of your book. It will tell you what your optimum worth is.

Ultimately, for those who've written a e book that solves a downside or presents a new approach, your book will usher in both site visitors and profits. So remember to write that promoting-handle sentence that sums up what drawback your book solves and what the benefits of your *Stratification Study Guide* e-book can be to the customers who purchase it. After which watch your market come to you!
